gracebeckiewangari@gmail.com

PROFESSIONAL SUMMARY

Creative graphic artist with an eye for detail, whose work emphasizes creativity and innovation to develop unique custom work. Well-versed with most design programs including Figma, Sketch, Adobe XD, InDesign, Photoshop and Framer. I have effective time-management and problem-solving skills, allowing the completion of projects with minimal supervision and maximum cooperation with other members within a team.

EXPERIENCE

KENYAWEB LIMITED, Nairobi — INTERN

June 2021- September 2021

I undertook my industrial attachment at Kenyaweb limited for three months. My duties were customer care support, network administration to clients and front office duties handling.

Tenri Hospital, EMBU— SYSTEM ANALYST

November 2019 - January 2021

Tested and analyzed the Hospital management system and worked to eliminate bugs in the system. I interacted with users to define business needs and ensured that the system was user friendly to them and that it functioned well.

SKILLS

- Graphics design. I can create posters, banners, flyers, newsletters and short video ads.
- UI design. I do website and application design, prototyping and wireframing.
- Domain registration.
- Email setup and configuration in webmail and outlook.
- Installation and configuration of routers and setting up WI-FI access points.
- DNS management skills.
- Installation of network printers.
- Level one customer support.
- Hardware maintenance such as troubleshooting a device
